THE EXODUS: FREEDOM FROM THE HEBREWS

This final plague launched the mass exit of the Israelites from the borders of Egypt. This lengthy period probably came to an end in 1445 B.C. Certainly this was an incredible event that only the Lord of lords could have possibly accomplished!

THE EXODUS: FREEDOM FROM THE HEBREWS

A Historical Note

Although we are not given an exact amount, many Bible scholars estimate that the number of men, women, and children who left in the Exodus was over two million. John J. Davis provides the reasoning behind this conclusion: “The number of men over twenty years of age is listed as 600,000... Assuming that males over twenty constitute approximately one-fourth the population, the total number of Israelites involved in the exodus would have surpassed 2,000,000 people.”

YOUR LIFE: SLAVERY OR FREEDOM?

If you have not been born into God's everlasting family, then you are like Israel was in Egypt – a victim of oppression. The only way you can be freed from the shackles that bind you is to trust in Jesus Christ for the forgiveness of your sins.
